

# Manager may drop his top scorer

**TERRY GLYNN**  
... out of form

AS Wycombe Wanderers enter the final straight in the race for the Berger Isthmian League championship, their manager Mike Keen is debating whether to leave out top scorer Terry Glynn for the visit of Hendon to Loakes Park tomorrow (Saturday).

Glynn, a £750 bargain from Enfield at the start of the season, has lost much of the form that made him one of the top strikers in the league before Christmas.

There was a considerable improvement in the performance of the forward

stituted against Croydon a fortnight ago.

With Terry Scott back to his sharpest and Ken Wilson likely to hold his place, Glynn faces challenges from both Steve Long and Gary Toll for the final forward spot.

## Improved

This is a game Wanderers must win if they are to stay in the race, for it is their last competitive home match of the season — all the other four are away.

They will not find it easy as Hendon are one of the most improved sides in the Premier Division during the past two months. Under new manager Ken Payne they have

13th spot with an eight match unbeaten run.

Payne, the former Wealdstone boss, took over in mid-January and has transformed the side by loaning John Baker to Woking and putting another forward Peter Shodeinde on the transfer list.

He is likely to have three forwards making their league debuts for Hendon tomorrow. The most interesting newcomer is the former Colchester striker Bobby Gough who has scored more than 100 goals in a distinguished Football League career.

The other new signings are Trevor Dark, who has played a handful of games for Birmingham City's first team and Martin Sperrin a recent acquisition from Barnet.

Hendon include two former Wycombe players in their side, defenders Gary Hand, who played against Middlesbrough, and Peter Anderson.

Wycombe hope to be at full strength. Defender Keith Mead did not play in Tuesday night's friendly to rest his leg strain but he hopes to be fit.

## Tough finish

Saturday's 0-0, draw between Slough and Enfield was the best possible result from Wycombe's point of view. As can be seen below, favourites Slough have a tough run-in to the season with one more match against Enfield and two against Sutton.

Enfield have the easiest programme, while Sutton's fixture congestion — they are still in the F.A. Trophy — is likely to count against them.

None of Wycombe's four away encounters is too difficult, and should they win all their remaining matches they will take some catching.

## Reserves hammer 10 goals

Corinthian Casuals 1,  
Wycombe Reserves 10

WYCOMBE Reserves showed no ill effects from a one month lay off as, inspired by a Gary Toll hat-trick, they defeated Corinthian Casuals 10-1 in the Suburban League North Division on Saturday.

Casuals, who have the dubious distinction of having conceded 114 goals in 26 matches this season, by far the worst in the league, could count themselves unlucky not to have been two up inside the first five minutes.

With only Chris Way to beat, a forward fired wide, and then another effort hit the Wycombe bar.

However, Wycombe finally found their rhythm and walked to a 5-1 lead at half time with goals from Gary Toll (2), Mark Richardson (2) and Anton Vircaus. The Casuals reply, only their fourth goal of the season, came from Wycombe's Graham Marshall, whose backpass beat Way.

After the interval Wycombe, without Tim Lee who broke a toe in a friendly against Oxford City the previous Wednesday, scored another five times. Toll completed his hat-trick and Andy Hunt (2) and Ken Wilson (2) also found the net.

Wycombe: C. Way, P. Bycroft, G. Marshall (sub K. Stansbridge 67 mins), I. Rundle, I. Vircaus, S. Dexter, J. Jacobs, M. Richardson, A. Hunt, G. Toll (sub T. Mason 77 mins), K. Wilson.
